Hot Springs, Arkansas. January 4, 1937.

MEMORAND'N FOR INSPECTOR E. J. CONNELLEY.

RE. Brekid.

There are attached hereto the logs for December 30, 1936 covering the taps on telephones listed to Chief of Police, City Jailor, and Mayor's Office, all located in the City Hall at Hot Springs, Arkansas.

The calls recorded at 11:08 A.M. and 11:29 A.M. over the police telephones indicated that "Pug" Dickson, a prisoner, was transferred from the City Jail to the Garland County Jail.

The "Billy" mentioned in conversation recorded at 11:25 A.M. is a prostitute call girl in Hot Springs, Arkansas.

Chief Wakelin made his usual nightly call to Grace Goldstein at 6:25 P.W. and he wasted no time in telling her the latest news received at the Police Department.

You will note in the log covering the tap on the Kayor's telephone that he invisted Federal Judge Karineauxia Martineau to his New Year's Eve Party at the Club Belvedere. Tomorrow's log will reveal that Martineau accepted the invitation.

Res ectfully submitted,

John L. Madala, Special Agent.

MEXORANDUM FOR INSPECTOR E. J. CONNELLEY

Re: Brekid.

There are attached hereto the logs for January 1, 1957 covering the taps on telephones listed to the Chief of Police, City Jailor, and Mayor's Office, all located in the City Hall at Hot Springs, Arkansas.

In this day's log, as well yesterday's log, frequent mention was made of a 1936 Model Ford V-8 Sedan which was stolen from the garage of Joe McRae, the owner of the said car. At the time this car was recovered, considerable blood stains were found on the running board and on the inside of same. "Dutch" Akers believed that a wounded man was carried in this car, and worked on that theory in his investigation of this case. It later developed that a local boy, age 17, named Jimmy Melton stole McRae's car, and went joy-riding with it. Melton explained that the blood splotches found on the car were caused from a cut which he received over his left when Micked by the crank as he was attempting to start the car. The Melton boy plead guilty to the theft of the car, and received a two year sentence by Judge Verpe Ledgerwood.

The following conversation was overheard by Agent H. A. Snow:

6:45 P.M. Incoming on #446

H.A.S.

Otis: "Dutch", this is Otis - Tell your wife I'd like to have her work tenght.

Akers: O.K. - IEll tell her.

The "Otis" mentioned above undoubtedly is Otis McGraw who (it is believed) has charge of the gambling at the Belvedere Club, Hot Springs, Arkansas. It is known that Aker's wife has or still is working at the Belvedere Club as a shiller.

MEMO ANDUM FOR INSPECTOR E. J. CONNELLEY.

Re: Brekid.

There are attached hereto the logs for December E1, 1926 covering the taps on telephones listed to the Chief of Police, City Jailor, and Mayor's Office, all located in the City Hall at Hot Springs, Arkansas.

Attached hereto please find a news article which appeared in this mornings! Hot Springs Sent nel-Record newspaper, and which pertains to the John Dickson matter. The article is self-explanatory.

Note the reaction of the above news article in the conversation between Capta in Bob Yoore and his sister had at 6:40 A.E.

With reference to the conversation recorded at 10:14 A.M., it is possible that the Bureau Ma, develop a National Stolen Property Act out of this.

The call at 4:00 P.V. shows that Cacail Prock secured work at the Belvedere Club Thew Year's Eve.

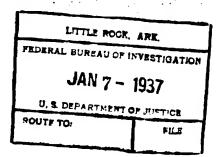

In the conversation recorded at 6:12 P.M., note Grace Goldstein's reaction to the news article which appeared in the norming local paper.

In connection with the tap on the Mayor's telephone #648, you will note the conversation recorded at \$105 A.M. between the Mayor and John Jones who is Clerk of the Circuit Court, Carland County, Arkansas. The #Emory* mentioned in this conversation undoubtedly is Houston Emory, the Prosecuting Attorney at Hot Springs, Arkansas.

You will note in the conversation had at 9:25 A.F. that Federal Judge Marin Martineau apparently accepted Mayor McLaughlin's invitation to the latter's New Year Eve's party.

Respectfully submitted,

John L. Madala, Special Agent.

Hot Springs, Arkansas. January 5, 1937.

Brekid

There attached hereto the logs for January 2, 1927 covering the taps on telephones listed to the Chief of Police, City Jaulor, and Ma, or's Office, all. located in the City Hail at Hot Springs, Arkensas.

Also attached hereto please find a newspaper article which appeared in the Hot Springs Sentinel-Record newspaper on January 2, 1937. The same is selfexplanatory. It is suggested that this article be made part of the file.

Attention is directed to the conversation recorded at 12:55 A.K. A subject named John "Sharkey" Gorman, who is alleged to be a prize fighter, and who probably will be indicted for herboring Alvin Karpis at Cleveland, Thio, is at present under investigation by the Bureau at Cleveland, Ohio. There may be a prescription possibility that the "Sharkey" Gorman fled from Claveland, Onlo and came t Hot Springs, Arkanses, and that the "Sharkey" mentioned in inst nt telephone convergation is identical with this subject.

Reference is made to the conversation recorded at 10:48 A.M. There is only one Dr. Davis listed in the Hot Springs Telephone Directory, and he is Dr. Louis Davis, a dentist, with offices at 6512 Central Avenue. It appears that the conversation at this time is related to the call made at 1.152 A.M. between Attorney . P. Swain and "Dotch" Akers. It is, however, not known what the subject of their c nversation is about.

Note the call recorded at 2:02 P.M. between "Dutch" Ake s and Tay Officer Charlie Robbins wherein Akers modestly advised that he was offered the position of Chief of Folice, but that he did not want it.

Note the conversation at E:12 P.M. between "Dutch" Akers and an unidentified girl wherein the girl mentioned that she had an old man "on the string".

Respectf lly subwitted,

John L. Mad la, Special Agent LITTLE ROCK, ARK. FEDERAL BURFAU OF INVESTIGATION JAN 7 - 1937 U. S. DEPARTMENT OF JITTICE
